

Two days training programme Bhu-Abhilekh Land Records Information System

(Held at DIC Sehore on 20-21 April 2011)

NIC District Centre Sehore conducted two days orientation / training programme on BHU-ABHILEKH Land Records Information System (Ver. 3R4) and general computer for trainee Patwaries of Land Records Department from 20th April to 21st April 2011 in two batches. The training programme received overwhelming response from all the participants. The event was organized at Patwari Training School Sehore. More than 90 trainees from Sehore, Vidisha, Raisen, Rajgarh, Guna and Ashoknager districts attended the training program.

Shri Sanjay Joshi, DIO, NIC, Sehore, explained the objective / salient features of the software & demonstrated the entire application for the benefit of the participants. He also explained the mutation process, type of updation in Land records, Khasra, B-1 and other reports and data security.

Hands-on sessions were also imparted to trainees. The training program concluded with a note of thanks.
